

There's a chill in the air down at Historic Elk Landing... and it's not all from the cool breezes coming off the Little Elk Creek. No, this chill is from the presence of all those who have come and *supposedly* gone from The Landing over the many centuries. The key term here is "*supposedly gone!*"

On **Friday and Saturday, October 21 and 22** the Historic Elk Landing Foundation will present its annual Ghost Hunt when we'll try to reconnect with those "*supposedly gone,*" dearly departed persons from long ago. Friday night's hunt starts at 6 and must conclude at 10 p.m. The Saturday night hunt begins at 4 and this night will conclude at midnight. **Admission is \$5 per adult, 12 years old and older, and \$3 for persons under 12 years of age.** Come experience the remnants of those who came before us at Historic Elk Landing... if you dare!!!

See our web site at www.elklanding.org for directions.
