

Cecil & Beyond Paranormal

Coming to Historic Elk Landing on Saturday, August 6th, the 1st annual Mid - Atlantic Historical & Paranormal Fair. Sponsored by the Historic Elk Landing Foundation and the Cecil & Beyond Paranormal organization, the gates open for this eclectic pairing of activities at ten in the morning and close at 5 p.m. It will feature historical and paranormal education: re-enactments by the Cecil Militia, Hollingsworth House and Stone House tours, and paranormal teams from the mid Atlantic area will be featured. There will also be food, crafters, vendors, raffles, and children's activities. While no ghost hunts will be conducted during this fair, visitors will have the opportunity to see the equipment used by paranormal researchers to locate and document paranormal activity. The operators of that equipment will also be available to answer questions about their work.
